COM a b o u t P A N Y

LEMOREX was established in the ceramic hub - Morbi, Gujarat, India in the year 2016 and has now become a pioneer and a front-runner in the ceramic industry. We are constantly evolving and unlocking new horizons with our innovative approach.

We manufacture ceramic vitrified tiles that meet the customer's demand and speak of durability, longevity and all-attractive. We launch a new range every quarter and are now committed to rolling out ranges that will surely make the buyers happy. Our products have a profound impact making your interiors speak elegance. As for distributors, we are on a mission to make your business profitable and last forever as well. Overall, we want to triumph in every stage of development.

We are planning to widen our networks, reach distant shores and come out with profitable outcomes. Henceforth, we assure quality, consistency and innovation in our product range to our valuable customers and distributors.
